Program Description

SOAR for Youth was established in 2009 to help foster youths move through adolescence and into their adult lives with hope, confidence, and independence. Through a summer residential program and other activities throughout the year, SOAR for Youth provides sustained support to our young participants over a five – ten year period. Once selected each youth begins moving through four consecutive years of one-week residential pre-collegiate summer academies (Prepare To SOAR, Learn To SOAR, Time To SOAR, SOAR to College) at no cost to the participants. While at academy the young participants are closely supervised, coached, and counseled by caring and experienced adults. In addition to the summer academies, activities throughout the year are planned to help participants stay connected with their peers and with SOAR for Youth staff. The curriculum includes:

- Academic enrichment in critical subject-matter areas like writing and math.
- College orientation and guidance.
- Outdoor adventures where bonding and teamwork are key.
- Success stories from former foster youths and career role models.
- Life-skills training, including help with personal finance.
- Career development, including job search and interview skills.
- Connection to emancipation services and college scholarship programs.

In 2012, SOAR added academic support services to help our young people achieve their long-term academic goals. In 2018, we added a paid Summer Internship Program to give our summer program graduates who are qualified opportunities to gain working experience in the fields of their professional interests. A new SOARing Forward Program is being launched in 2023 to give our young people additional support. With these new services, our young people receive sustained support from SOAR until they graduate from college.

Program applicants (Bay Area Social Welfare foster youths in grades 6-8 now and entering 7-9 in the fall) must have demonstrated academic capability (GPA = C average or above), be adaptable to a group setting, and want to participate in SOAR for Youth activities themselves. Preference will be given to those who reside in the Bay Area.

The following pages contain the necessary forms and waivers to be filled out by a legal guardian, social worker, CASA or legal counsel, with the full participation of the applicant. **Please complete and return the pages marked with asterisks (*) to SOAR for Youth (PO Box 1291, Berkeley, CA 94701) before April 29th (post-marked).** Please do not send registered mail as it will slow down the process. Selected youth will be notified before end of May.
